

IN THE CLAIMS

Please cancel claims 1-73 without prejudice or disclaimer.

The following is the status of the claims in this application:

1-73. (Cancelled)

74. (new) A method of regulating access to electronic content, the method comprising:

- collecting notification information from a recipient of electronic content in response to an attempt to access the electronic content;
- transmitting the collected notification information to an address other than that of an immediate sender of the electronic content; and
- selectively controlling access to the electronic content based on a result of the transmission of the notification information.
